

A PROMISE KEPT UPDATE COSTS ARE UP. GOD IS FAITHFUL.

When we learned in October that inflated prices and construction demand in the Flathead Valley had driven up our estimated Phase 1 (dining hall) construction costs to \$4.7 million - an increase of over 40%! - we were stunned. It was hard not to question the Lord, and our faith was tested. Yet in the past month alone, we have received an additional \$425,000 in donations. Phase 1 is over 90% funded, and once again we are encouraged to trust the Lord for His provision! We will begin construction in 2022 as planned. Stay tuned to bigskypromisekept.org for ongoing updates.

FROM THE DIRECTOR...

Those that know me personally are aware that Christmas is one of my favorite times of year. I have even been known to force staff members to put up Christmas lights! Obviously, the greatest gift we could ever receive was given in the incarnation of Christ - God's provision for our salvation through the perfect life and death of Christ. The Big Sky staff and I have received another incredible gift over the last year. Though it is not as significant as the gift of Christ, it is the gift of a new dining room and facility to expand ministry in. Over the last six months, we have received pledges and donations for close to \$4 million. This brings us very close to the total cost of the dining room, water and septic systems. For me personally, this is something that I have dreamed about since my coming to Big Sky in 2008, so it is very significant. I would like to offer

Would you consider one of the following projects for your year-end giving?

#1: VAN PURCHASE

BSBC's 26-year-old van is no longer reliable. A van is a necessity for continued ministry in all of our programs. We transport campers to and from Kalispell, and in 2022 we'll do so all summer long as we expand our day camp programming. We are seeking a gently used, 15-passenger van similar to a Ford Transit 350. Est. cost: \$30,000.

#2: CRATER RENOVATIONS

Crater Cottage is a high-volume multi-purpose facility. Retreat and other guest groups use it year-round. In the summer, it houses our nurse's station, guest speakers, and cooks. Crater is overdue for renovations including new windows, flooring, fixtures, furniture, and bathroom improvements. Est. cost: \$20,000.

#3: ROPES COURSE

Adventure activities are tools for sharing the gospel as campers face their fears and learn about faith and trust. Our offerings are outdated and unable to handle increased camper volume. Help us expand to an adequate adventure space with over 4,000 sq. ft. of rock climbing plus rappelling, multiple zip lines, an aerial park, and more! Est. cost: \$50,000.
