Campership Information

At BSBC we never want finances to prevent a child from coming to camp and hearing the good news of the gospel. Thanks to generous donors, we have funds set aside to help children come to camp who would otherwise not be able to. When applying for a campership, please remember the following:

Please consider serving at Big Sky! We are often in need of nurses, cooks, and assistant cooks. Each week of service includes one free week of camp for your camper. If interested, please contact us for a volunteer application form.

Please check with your local church for financial assistance – many churches have funds set aside to help children attend camp.

Pay the amount you can afford. We require that you pay at least the \$50 deposit (per camper) to hold your campers place.

Priority will be given to those who are first time applicants for camperships.

Camperships are only available for Traditional Camps and Camp Promise. We do not have a campership program for Day Camps or Wilderness Camps.

Instructions for Application:

1. Fill out the Campership Application *completely* (incomplete forms will not be processed).
2. Return the form to us by mail or email
 - a. Mail to: 501 McCaffery Rd Bigfork, MT 59911
 - b. Email to: info@bigskybiblecamp.org (Please make sure the scanned document is clear and legible. We will not process forms we cannot read).
3. We will review your form and respond via email or phone within one week of receiving your form.
4. Register your child for camp! An approved campership application does NOT hold your camper's place in camp. A completed registration form and \$50 deposit are required to reserve their place. Because camps tend to fill up, we recommend getting them registered as soon as possible (you do not to wait to hear from us regarding your campership application to get your camper registered). Please register online at www.bigskybiblecamp.org.
